2. Description of the main features of the credit product

The type of credit	KLM Classic, credit card with Mastercard					
The total amount of credit This means the ceiling or the total sums made available under the credit agreement	Will depend on the credit check. If granted, the credit will be from NOK 5 000 and upwards. Obtainable ceiling amount up to 150 000 NOK.					
The conditions governing the drawdown This meanshow and when you will obtain the money	Credit agreement must be signed and the conditions of the credit agreement must be met.					
The duration of the credit agreement	Until further notice.					
Instalments and, where appropriate, the order in which instalments will be allocated.	Payment plan options	1 mnd	3 r	mnd	1/20	1/30
	No payment is due for the month that purchases or withdrawals from the account are made. Thereafter the drawdown amount shall be repaid in accordance with one of the above payment options. (The customer is deemed to have chosen the payment plan that corresponds with the paid amount, i.e. the payment plan for which the payment exceeds the minimum monthly payment obligation for that payment plan). The monthly amount consists of the monthly instalment and interest. This amount assumes that the interest rate and fees are unchanged throughout the credit period. Any administrative fees and arrangment fees are in addition, depending on the selected payment option. See point 3 below - "Associated Costs". The arrangement fee is due for payment the month after the choice of payment option as been NOK 1 500 is required. Relevant payment giro. Interest and fees are set out in the respective payment plans. Advance payments will not reduce future monthly payment obligations, but reduces the total repayment period. It is possible to select an account option with lower monthly payments for one or more months, and to utilise any instalment-free periods in accordance with the account statement. (Please note that the interest and fees will accrue if an instalment-free option is selected). Interest and fees in accordance with the general account terms (Basic Account – Norw. Basiskonto) will be imposed if the special account terms are breached. In order to return to a special account option (repayment plan) with a larger monthly payment, payment shall be made in accordance with bank statement/payment form.					
The total amount you will have to pay This means the amount of borrowed capital plus interest and possible costs related to your credit.	The total amount to pay will be set out in monthly account statements and invoice. The total amount will depend on the actual drawdown, repayment alternative and maturity period. REPRESENTATIVE EXAMPLE The example assumes a purchase of goods in the amount of NOK 15 000 Nominal interest rate Total credit interest credit 0% 15 000 NOK 15,42 % 1 393 NOK 5 000 NOK 5 142 NOK * Repayment period: 12 months.
